About

Vitrine is a crystal-clear headline typeface achieving a see-through quality through formal reduction. Its refined shapes make Vitrine the solid display case needed to exhibit your designs with an air of effortless elegance. Vitrine is an exploration into the field of display type and reduction of letterforms. The result is a typeface simmered down over time to its essence, revealing the complex beauty of simplicity.

RT vitrine comes in 18 styles, 9 weights including corresponding italics and is exclusively available from RazziaType.
